

Exhibit C

Physicians Limits of Professional Liability Coverage

Unless covered by such other program that is acceptable to HDNIPA, Physicians shall maintain per claim and aggregate professional liability insurance in amounts not less than \$1,000,000 and \$3,000,000 respectively. Higher limits may be required by certain Health Plans contracting with HDNIPA and it is understood that Physicians may not be eligible to provide services under their programs if Physicians do not maintain the required insurance coverage.
