- Approved authorizations are effective from the date they are received and expire three (3) months from the effective date and are based on the member's eligibility at the time the authorization is reviewed. Providers must verify member eligibility within 5 days of the date of service to ensure coverage..
- Claims for services rendered without required prior authorization may be denied reimbursement. Claims for the above services must be submitted for the same service, CPT code and provider group (tax id #) as those approved or documentation must be submitted to explain the medical necessity of alternative and/or additional services.
- The requesting physician or the member may submit authorization appeals to the Foundation Medical Management Department.
- This is confidential and privileged information protected by California Civil Code § 43.97, Health & Safety Code §1370, and California Evidence Code §1157.
